

### CONTRACTS

At Accuhealth, there are no commitments or contracts to sign. If you aren't happy with our service, you can cancel at any time, with no fees or hidden costs.

#### STEP 1

*Please provide material by the practice*

Simply fill out the athenahealth Authorization and Consent Form

[marketplace.athenahealth.com/authorization-consent?product=accuhealth](https://marketplace.athenahealth.com/authorization-consent?product=accuhealth)

#### STEP 2

Accuhealth gathers pertinent info about your clinic.

#### STEP 3

*Begin training. Please provide additional information if necessary.*

Accuhealth provides one-on-one training with you and your staff.

#### STEP 4

Refer patients directly through athenahealth.

Accuhealth automatically sends the device(s) to your patients, onboard your patients and provides monthly auto claim billing reports.

**That's it! It's that easy.** You can now stay more connected to your patients to improve outcomes and satisfaction, while generating more monthly recurring revenue for your clinic.

### REVIEW AND Q&A

Accuhealth has a detailed FAQ section on our website, which is easily located here:

[www.accuhealth.tech/education-center](https://www.accuhealth.tech/education-center)

## APPROXIMATE AMOUNT OF TIME FROM CONTRACT SIGNATURE TO GO-LIVE

*Example: Provide this service that integrates this with this differentiating capability*

Go-live with Accuhealth Remote Patient Monitoring in under 24 hours.

## ANTICIPATED AMOUNT OF TIME FOR THE PRACTICE TO SEE AN ROI ON THEIR INVESTMENT

All Accuhealth clinics are reimbursed within 14 days of receiving the first billing report.

## PARTNER CLIENT “YOU DO/WE DO” TO GO LIVE

All you have to do is refer patients - Accuhealth handles everything else, including hardware, software and 24/7 clinical monitoring.

## LUNCH DAY

### RE-OCCURRING MEETING CADENCE

Every Accuhealth clinic has a dedicated Customer Success Manager available for reoccurring monthly billing meetings, to assist with training or answer any questions you may have.

### SUPPORT

*Contact information for partner during implementation and post go live*
